

INSULATED BEVERAGE SERVERS

Keep beverages hot or cold for hours! Perfect for front or back-of-house use. One-piece, seamless double-wall polyethylene construction and foamed-in-place polyurethane insulation ensures years of dependable service and prevents liquids from seeping between walls. Molded-in mounting plates prevent latches from pulling out. Drip-proof recessed spigot allows for easy access and can be easily adjusted without tools.

Wide service opening accommodates larger cups and/or coffee pots when units are stacked on a riser. Sta-stack interlocking allows for stable stacking. Self-adhesive beverage label set included with each unit.

UC250 and UC500 covered by U.S. Patent D 403,917. UC1000 covered by U.S. Patent D 403,916.

Vent Cap
Equalizes pressure. Makes opening the container much easier.

E-Z Grip Molded-in Handles
For comfortable, safe transporting.

Recessed Faucet
Accommodates larger cups. Allows even dispensing and eliminates drips. Two positions: one for continuous pouring and one for individual dispensing.

Molded-in Metal Backing Plates
Prevents latches from breaking away from the container.

Ultra Camtainers®
Feature wide nylon latches which are easy to open and close with one hand.

Camtainers®
Feature sturdy plastic latches that secure lids tightly and will never rust.

Stack beverage servers during storage and transporting to save space.

Stacking options:

- 100LCD with 100LCD
- All 250, 350 and 500 units
- UC1000 and 1000LCD
