

VERSA® CAMCOVERS

Serve hot food hot with the Versa Camcover, an elegant and efficient alternative to traditional metal covers.

- Withstands temperatures up to 300°F (149°C)
- Covers remain cool to the touch for easy handling
- Lighter and quieter than metal covers
- Elegant appearance without polishing
- Non-porous material remains odor-free and stain resistant
- Microwave safe

Refer to the Cambro Camcover handbook on our website to determine what size Versa Camcover is best for your plates. Or, send one of your plates to Cambro Customer Service for sizing.

Colors: Ivory (197), Granite Gray (191), Antique Parchment (101).

Microwave safe!

ICON DIRECTORY

Throughout the Cambro catalog, find the following easy to identify icons to help explain Cambro product features or services.

STORESAFE®

Cambro is committed to providing food service operators with products to help meet HACCP guidelines.

- Cambro food storage products are designed to help keep food fresh and reduce cross contamination.
- Camshelving® is easy to clean to provide a sanitary storage area.
- Cambro catering and merchandising equipment maintain food temperatures to safely hold and transport food.
- The closed wall design of the Camrack® Warewashing and Storage System allows glassware to be stored in an enclosed sanitary place.

Look for the Cambro StoreSafe® mark throughout the Cambro catalog to identify Cambro storage and transportation products that help ensure safe food handling.
