WE'VE GOT YOUR FOOD PANS COVERED!

Covers protect contents better than plastic wrap or foil while saving time and money. Lids improve food safety and extend product freshness.

Cover with Handle
Deep molded handle provides secure grip

Seal Cover
Economical cover for all pan sizes

Notched Cover with Handle
Notched cover allows utensils to remain in pan and off of potentially contaminated counters

Flat Cover
Basic cover available in all pan sizes

FlipLid®
Keeps contents covered yet flips up easily for service. Acts as an instant sneeze guard

Black Cover with Handle
Available in black to block light, reducing discoloration of meats and cheeses

GripLid®
Lid "grips" the side of the pan, reducing spills and points of cross contamination

ICON DIRECTORY

Throughout the Cambro catalog, find the following easy to identify icons to help explain Cambro product features or services.

STORESAFE®

Cambro is committed to providing food service operators with products to help meet HACCP guidelines.

- Cambro food storage products are designed to help keep food fresh and reduce cross contamination.
- Camshelving® is easy to clean to provide a sanitary storage area.
- Cambro catering and merchandising equipment maintain food temperatures to safely hold and transport food.
- The closed wall design of the Camrack® Warewashing and Storage System allows glassware to be stored in an enclosed sanitary place.

Look for the Cambro StoreSafe® mark throughout the Cambro catalog to identify Cambro storage and transportation products that help ensure safe food handling.

Store and Transport Food Safely

Listed by the National Sanitation Foundation. NSF, an independent testing organization, lists products which meet their criteria for sanitation and cleanability.

One carton of product is within the weight and cube requirements to be shipped by parcel carrier.
