ICON DIRECTORY

Throughout the Cambro catalog, find the following easy to identify icons to help explain Cambro product features or services.

STORESAFE®

Cambro is committed to providing food service operators with products to help meet HACCP guidelines.

- Cambro food storage products are designed to help keep food fresh and reduce cross contamination.
- Camshelving® is easy to clean to provide a sanitary storage area.
- Cambro catering and merchandising equipment maintain food temperatures to safely hold and transport food.
- The closed wall design of the Camrack® Warewashing and Storage System allows glassware to be stored in an enclosed sanitary place.

Look for the Cambro StoreSafe® mark throughout the Cambro catalog to identify Cambro storage and transportation products that help ensure safe food handling.

Store and Transport Food Safely

Listed by the National Sanitation Foundation. NSF, an independent testing organization, lists products which meet their criteria for sanitation and cleanability.

One carton of product is within the weight and cube requirements to be shipped by parcel carrier.
